

Category: 1c Notable tree

Name: Hanley Tree

Location: Hanley

Species: Poplar

History/Description:

This tree stands at the end of the main street in Hanley.

Under it is a picnic table and a BBQ grill, where local folks can enjoy the view and the shade.

It is a meeting place, at a point where the decision must be made to turn left or right along Railway Avenue, or to do a U-turn and return down the main street.

This poplar is the tallest in Hanley; it is clearly visible as you drive by on the highway.
