

Saskatchewan Forestry Association

Membership Form

Why not join the SFA? We care about the forests in Saskatchewan. We teach others to care about them also. We will keep you informed about industry activities in the forest. We will show you how we take students out on trails and survival experiences. Become a member and help us work for the things you care about. Receive our newsletter "Treelines" each quarter. Sign up below:

Name: _____ Affiliation/Company: _____

Address (for tax receipt) _____

Postal Code: _____ Telephone: _____

Help us keep our records current: e-mail address _____

Complete this form and return it to our office with your membership donation, or mail it in. As a Registered Charity (# 12984 95 43 RR0001) a receipt will be issued for income tax purposes.

Membership entitles you to the quarterly newsletter "Treelines" that will be emailed to you in color. Plus you will receive invites to speakers and meetings. Most importantly you know your joining helps the future generation learn about the forests and care for the environment!

Large company1,000.00

Major Projects we engage in are:

*Focus On Forests resources are available on our website. This is our vehicle of getting teachers and students to realize the valuable resource of the Boreal Forest in Saskatchewan that we as citizens have stewardship over. Look over the lessons and information available at www.whitebirch.ca

*Kristi Lake Nature Trail You are welcome to take a peaceful walk on this 2km trail near Prince Albert. Check out the video under the trails tab on our website.
