

We encourage nominations from individuals and from communities, and officials.

All nominations are subject to confirmation, but will be shown in the record from the time it is submitted, unless there is reason to doubt the entry.

S.F.A.. retains the right to have submissions confirmed by a third party, and will do so using a range of confirmation processes. Once the record is confirmed, it will be shown as such on the site.

Nominations Process - Please copy this sheet and email information to info@whitebirch.ca

Name of Entry:

Category:

Location:

Species:

Enter the following if applicable:

If the tree or grove has a special history, please provide details.
